July 2017 President's Message

Good day Folks, just got back from the 2017 OCA Nationals in Albuquerque New Mexico. Congratulations goes out to Gerald Burns, Fred and Alice Hutchison for having the judges recognize beautiful preserved cars and have moved up into Senior Class. Congratulations to you as you deserve the recognition.

Your Oldsmobile Club of America Board of Directors had their meeting Wednesday and it lasted till about 6:00 PM. Your BOD got a lot done this day. Along with all the actions there was a Bylaws committee that updated and revised the OCA by-laws in prior months and at this meeting your BOD discussed and agreed on the by-laws changes that is for the betterment for the club going forward. This is a big undertaking from the committee to change and for your board to discuss each changes and revise and agreed to accept the changes made. This was needed as the by-laws had not been updated in the last decade and now this has been accomplished by your now in place BOD. There were 80 pages to discuss and revised as this was quite the task. Your club's officers do work hard for the membership as I have witnessed.

I personally was working on the hard luck award trying to get to the meet but there was another who had a worse problem than I so I lost the hard luck award. I even had problems trying to get back home. It was an adventure to and from the nationals.

The Motor City Rockets keep attention to Archway Club of how many members show up at each national event. The Motor City Rockets had 30 attend at this event and we had 28 attend. Not a bad showing from the Archway group traveling more than a total of 2200 miles. Thank you all that traveled that far to attend this year. There were two groups that even traveled further into New Mexico before turning towards home. I appreciate all your support to our club at all these Oldsmobile events. Archway shirts and hats were everywhere.

This is a good time to welcome Ohren and Connie Simburger (sorry if I spelled the names incorrect) back to the club again. Ohren is a past club president back in 1991 when the Archway Club hosted a OCA National event close to the airport on Lindberg. That means Connie was deep in the event also. They have come back into the club and also traveled to this year's OCA nationals. When you meet them both welcome them both back into the club.

We need each member to show up and help this day. This is a big event of the year to make the club money that carries into keeping the Christmas Party cost reasonable each year. When you attend early in the morning be sure to wear appropriate clothes, big brim hats and cool towels to keep you from overheating while working this event. Our home base again is the Masonic Hall on Main Street like in years past. Lunch will be served at noon and dinner at Stephanina's after the show to cool down before you travel home. I am looking forward seeing you support our club this day.
