February 2017 President's Message

Hello everybody, we had a full house last meeting at the Sports Cafe. There were 48 members and associates attending at the last January meeting. A full house.

We had a video playing at the last meeting of last Fall First Responders photo shoot organized by Shannon Olson for the upcoming 2017 May edition JWO cover page. Gerald was the photographer that day and at our last meeting he brought a video of the pictures for the members to view this evening. The photos were taken by Alex Olson who walked around that morning taking pictures of the event, first responders and members attending. Thank you Shannon, Gerald and Alex for all your support with this First Responders photo shoot. We will get to see the finished product in a few months. Good idea Shannon!

Last month I mentioned that the club would discuss what charities the club would like to donate to. Don mentioned to me that in years past we always did this action at the February meeting. So folks we tabled and will discuss club donations at our February meeting. I'm glad the club and I have the support from others to keep me on track, thanks.

We tabled the November meeting minutes due to a partial publication. Once we get the total November meeting minutes we will vote to correct, add or omit any changes and pass at the February meeting.

At the last club meeting we discussed that the club had to change locations for our annual fall picnic. This year the annual club picnic will be the second Sunday October 8th at Faust Park in West County off of Olive Blvd. Our Creve Couer location was already reserved.

Last Call for the 2nd annual Classic Car Trivia Night Friday February 24th. At this time we are working on our third table. If you wish to be included get your payment to the club at the next meeting as this night is last call. See the flier attached in this February newsletter for information. Hope you consider this fun evening with your fellow Olds friends. Don't worry about your car knowledge as there are seven others at the table who will know those answers. Just come with us and have a fun winter evening with friends. Wear ALL your Olds stuff this evening to promote our marquee as we will have more members there than any other club again as we always do. We kick ass on those other clubs. Remember a few years ago we had a challenge with the Classic Car Club at the Wheels in Motion of who could get more cars to attend. Classic Car Club had about eight cars and we kicked their ass with 25 cars. We will do the same here this night also. OLDSMOBLIE POWER !!!

December 2016 President's Message (cont.)

President's Message cont. from previous page

Read you January newsletter for all the February activities as today we are moving on from February here today. Just a side note as Ron and Shannon purchased a 72 Cutlass convertible. Congratulations to the Olson's as they are now Oldsmobile owners.

I am working with Julie Lahr from the Museum of Transportation and the new management with keeping our annual All Oldsmobile Fun Show same as in years past. It looks good so far. Plan for the 4th Sunday in September. More to follow.

I want to mention that Herb help me with finding a battery cut off switch made in America, Chicago area that works. With the made in China was like throwing your money away as they did not work. If you do not have this on your collector car to cut of the battery power while you are not using your car there is always a chance of a fire with your baby inside your garage so I suggest you have one of these on everyone of your cars for your protection. Look into this GAMA Electronics, Inc. www.gamainc.com. You need to have someone purchase online for you but I promote these USA switches. Thank you Herb for finding this product for us they work well. 1-815-356-9600

Here are some suggestions for a future club activity when the weather permits. A trip to the Hwy 270 and Hwy 44 area to visit one of our club members business, Moto Exotica Classic cars to visit with Scott Brandt and his collection of consignment cars. Also in the same area is Sherman Auto Sales with memorabilia from the 40's,50's and 60's. Then somewhere along this day have lunch together a block away. What do you think? We can discuss this later.

Oldsmobile Regional Show hosted by the North Texas Oldsmobile Club April 21st and 22nd at Gainesville Texas. I will have more information at the next meeting for discussion.

Magic Dragon Street Meet Nationals is May 4th - 7th at Bagnell Dam Strip Lake Ozarks.

1st Annual Cruise-In Show / Grand Opening at Frisco Hill Auto Shop Saturday May 6th at 4615 Baumngartner Road 63129 South County. Music, Food trucks, give away's, etc. Sounds like the place to be this day. I suggest getting there early.

Don't forget this year's Full Sun Eclipse on Monday August 21st. Personally, I am taking the day off to make sure I am not around any clouds this day. I'm driving south towards the sun if it is cloudy here.

That should be it for me for this month. Thank you for your support in these club's activities. We are a very friendly club and it shows. Take care and see you at the next club meeting.
